| Project Name | Project - Signs with smart connectivity for Better road safety |
| Maximum Marks | 4 Mark |

The screenshot shows the IBM Watson IoT Platform dashboard in a web browser. The browser's address bar displays "internetofthings.ibmcloud.com". The dashboard header includes the text "IBM Watson IoT Platform" and a user profile for "maheshwaranc16@gmail.com" with the option to "ID: (select org)". The main content area features a dark blue background with a circuit-like pattern of white lines. In the center, the word "Things" is written in a large, white, sans-serif font. To the left of "Things", the text "Collect data from" is accompanied by a small icon of a factory. To the right, the text "and make value from it" is accompanied by a small icon of a person. A "Cookie Preferences" button is visible in the bottom right corner of the dashboard. The browser's taskbar at the bottom shows several open applications: "IBM watson IOT....docx", "IBM watson IOT Pl....pdf", "VSCodeUserSetup....exe", and "Node-Red services.pdf".
